Peppermint & Eucalyptus

STIMULATE THE SPIRIT - 100% Organic Soy

Peppermint and Eucalyptus essential oils perk up the mood in any room. This organic soy candle is wonderful for providing an uplifting and stimulating scent. If you feel a little tired, or have a slight irritating cold, lighting this candle will help the body and the spirit. It's likely to become a family favorite.

Cleaner Burning

Environmentally Safe

80 hour burn time

Non-Toxic

No animal testing

Cotton - lead free wicks

Hand poured

Soy grown by USA Farmers

OTHER USES:

Rub oil, after extinguishing the candle, on bottoms of feet during colds and flu for relief from congestion or nausea.

Light outdoors to keep away mosquitos and bugs.

Aromatically, stimulate the brain waves when at work and keep attention high.

Supports wellness for nausea, headaches, and sinus issues aromatically.

*Never leave a candle burning unattended. Never burn a can around small children or where pets can get to it. Burn your candle no longer than three hours at a time. Always extinguished before using the oil. The cotton wick will curl so be sure to trim the wick before each use. Never use as oil when candle is burning - extinguish candle and cool oil before applying to feet.
